

## CPCI Professional Individual Membership

### *As a CPCI Professional Individual Member...*

- You will be able to stay on the leading edge of new technology in a vibrant growth industry.
- You will be able to associate and compare notes with 1,000 other professional members across North America.
- You will receive one of the most widely read technical publications in this field - the PCI JOURNAL.
- You will have the opportunity to meet with your contemporaries on sixty committees and sub-committees.
- You will be able to enjoy one of the most successful (technical and social) annual conventions in North America.
- You will have access to the technical resources and publications of both CPCI and PCI at discounted prices.

CPCI is a non-profit institute whose purpose is to advance the use of structural precast concrete, architectural precast concrete and specialty precast concrete in Canada.

CPCI was established in 1961 and services over 200 members, made up of professionals, affiliates and students.

Your CPCI professional membership also gives you all of the privileges and benefits of professional membership in the Precast /Prestressed Concrete Institute, to which CPCI is an affiliated organization.

Since its inception in 1961, CPCI has been a dynamic force in the steady growth of precast and prestressed concrete in the marketplace today. Industry sales have grown from \$25 million in 1961 to over \$1 billion in 2008.

#### Eligibility:
